Subject: LCEC-Good-to-Know: IMPORTANT NOTE ***** Contact Details of the New "LCEC Engineering Office" *****

LCEC is Expanding its Offices

- In order to cope with the expansion of its team, the LCEC has acquired a new office space for the engineering department in Badaro Street, Beirut, Lebanon. The new office- "LCEC Engineering Office"- will host the engineering team of LCEC as well as LCEC interns and graphic design and communication team. LCEC will keep its "LCEC Main Office" (Room 303) at the Ministry of Energy and Water as the main hub for its activities as well as the "LCEC Implementation Office" (Room 114) hosting the team responsible for the supervision of national projects in Lebanon. The new "LCEC Engineering Office" will host the unit working on the EU-funded MED-DESIRE project and the "Technical Support Unit to the Central Bank of Lebanon (BDL)", among others.
