New Markets, New Challenges for EE and RES in the Mediterranean Region, 13 Nov. 2014, Sevilla

The Andalusian Energy Agency, assigned to the Regional Ministry of Economy, Innovation, Science and Employment of the Andalusian Government, is organising the International Conference titled "NEW MARKETS, NEW CHALLENGES FOR RENEWABLE ENERGY AND ENERGY EFFICIENCY IN THE MEDITERRANEAN REGION" that will take place next 13th November 2014 at the Hotel NH Collection Sevilla, Avenida Diego Martinez Barrio, 8, 41013 Sevilla.

This Conference, whose aim is to contribute to transferring and applying good practice in the energy efficiency sector and to enhance the use of solar energy, is part of the activities organised within the project ENPI MED DESIRE - Development of support framework for solar and renewable energy initiatives in the Mediterranean.

We will be very pleased to count on your participation at this conference. Free entrance: limited places available.
